

# RICHLAND COUNTY CHARACTER AWARD

Sponsored by: Richland County 4-H Committee

The 4-H program is designed to enable kids to be strong leaders, good citizens, and learn new skills while developing good character.

Do you know a 4-H/FFA member who has demonstrated good character in a situation that has presented itself? This would be how a member acted or reacted in a particular situation. Some of the qualities that demonstrate good character are trustworthiness, honesty, respect, good sportsmanship, truth, selflessness, and humility.

Awards will be chosen by the Richland County 4-H Committee from applications received by September 30. Please give details of how good character was demonstrated. Feel free to use the back if more space is needed. Award(s) will be presented at the 4-H November awards ceremony.
