5
Eligibility, Project Enrollment and Fair Entries

1. **YOUTH ORGANIZATIONS**: The Richland County Junior Fair shall include the following youth organizations: 4-H, FFA, Girl Scouts, FHA, Grange Youth and Junior Grange. The completion of member evaluation/project interview judging is required before a Junior Fair exhibitor can participate in any Junior Fair competition at the fair or receive premium for exhibiting individual project work.

2. **EXHIBIT & AGE ELIGIBILITY**: Boys and girls affiliated with the eligible member/youth organizations in Richland County are eligible to exhibit subject to the rules of their respective organizations. Their last year of participation shall be the year the exhibitor turns 19. Junior Fair exhibitors shall not exhibit any project work or supervised agriculture experience work for one Junior Fair organization that was completed for credit and/or exhibit for any other Junior Fair organization or school assignment. Duplicate projects cannot be taken in two or more Junior Fair organizations during the same project/school year, including 4-H and FFA membership in multiple counties.

3. **CURRENT YEAR PROJECT WORK**: All exhibits shall be a part of the exhibitor's current project work. Project work shall be the individual’s work. Exhibits shall not be shared. Exhibits displayed/shown in the Richland County Junior Fair program may not be displayed/shown in any other Junior Fair program except at the Ohio State Fair.
4. **PROJECT ENROLLMENT:** All Junior Fair enrollment (including Richland County 4-H/FFA/Girl Scouts/FHA/Grange youth) for fair participation is due in the Ohio State University Extension Office by deadline of April 1 (unless April 1 falls on Saturday or Sunday then the deadline shall be the following Monday) annually. Enrollment is by project and must be specific by the April 1 enrollment deadline. Exhibitors must be enrolled in the project by this time or will be considered ineligible for fair participation (no exceptions). 4-H and FFA exhibitors shall pay a one-time per exhibitor $12 participation fee (4-H to OSU Extension and FFA to the Junior Fair Board) to support operational and educational expenses of the Junior Fair. Fees shall be due by April 30 annually. Fees must be paid prior to any Junior Fair participation for that year.

5. **ADDITIONAL PROJECT DEADLINES:** Horse programs/animal registration (beyond Junior Fair enrollment for fair participation): Horses to be shown at Performance Against Standards and/or Premium Shows must be registered on the official state horse enrollment form annually by May 15. Advisor grace period until June 1. Horse Safety and Ethics Training Form (video watched; parent + exhibitor signatures) must be completed by all first year horse exhibitors no later than June 15 current year to participate in any Junior Fair sponsored event. NOTE: EquiSTEP will replace the Horse Safety and Ethics Training starting in 2023.

6. **QUALITY ASSURANCE TRAINING REQUIRED ANNUALLY:** As per law in Ohio and recommendation of the State Veterinarian, all Junior Fair livestock (including breeding, horse, alpaca, and dog) exhibitors must complete the county approved Quality Assurance Program (as offered or certified by OSU Extension; other approved QA programs such as the Ohio Beef Expo may be acceptable for QA credit) by June 15 annually. Exhibitors ages 16 years and older (as of January 1, current year) may opt to test out of the QA classes. The test out exam (administered by OSU Extension) will meet the QA requirement for the current year and up to two additional years of QA.

7. **DRUG USE NOTIFICATION FORM (DUNF):** At weigh-in, all exhibitors (exception is feeder calves and rabbits) must have an electronically completed Drug Use Notification Form (one form per animal or exhibit) that includes all drugs administered (with withdrawal time remaining) to their market livestock, ear tag numbers, required signatures and other pertinent information as requested on the form. If a Drug Use Notification Form is incomplete, the exhibitor shall correct/complete the form prior to receiving any prizes or awards for that exhibition and prior to participating in the show or sale for which the DUNF was completed. For medications on the DUNF (treatment and withdrawal has not elapsed), a veterinarian must be involved. Failure to meet these requirements will make market livestock ineligible for show and sale. If an animal is given any medication during the fair a new Drug Use Notification Form must be completed and filed with the appropriate authority.

   **Sale eligibility:** All market livestock must be drug free at the start of the day of sale either Thursday and/or Saturday sale. The only exception is for medication prescribed and administered by the fair veterinarian after the DUNF was submitted (start of fair). In this case, prior to the auction, the sponsor (Livestock Committee) shall announce the identification of the exhibition livestock that had been administered drugs for which the withdrawal time has not elapsed. See the Livestock Committee rules for exhibitor responsibilities related to sale eligibility in this situation.

8. **PARTICIPATION IN JUNIOR FAIR EVENTS/SHOWS ELIGIBILITY:** To be eligible to show/exhibit/participate within any Richland County Junior Fair program/class or participate in the Livestock Sale, the exhibitor must: 1) be properly enrolled by the April 1 deadline, 2) have completed the required project requirements, 3) must complete a Quality Assurance class by June 15, if applicable to project, 4) must have successfully participated in an official county interview judging experience by the required deadline time, 5) have submitted a complete fair entry by the deadline, and 6) have the exhibit
properly on display for the entirety of the Richland County Fair (exception - see rules #27, #33 and #36).

9. **JUDGES ELIGIBILITY AND JUDGE NAME RELEASE:** An adult (including, but not limited to parent, grandparent, sibling and/or legal guardian) judge MAY NOT score/judge their own child/sibling/grandchild. Livestock judge names will not be released to the public prior to the start of the respective show at the county fair.

10. **FAIR ENTRY DEADLINE:** Entries must be made for all Junior Fair breathing animal projects by July 1 (unless July 1 falls on a Saturday or Sunday, then deadline shall be the following Monday) or within the designated 4-H and FFA active advisor verification period (July 1-15). During the two-week verification period, entries can be added, changed, and/or deleted only up through this designated period (with advisor approval). No entries shall be changed or altered after this designated time (July 15). Each line of the fair entry is considered an entry (i.e., market lamb, pen of two ducks); therefore, multiple lines need to be completed for multiple entries (i.e., two market hogs). No exhibitor shall falsify any information included in an entry form submitted to the Richland County Junior Fair. Completed, signed entries should be sent to the Ohio State University Extension Office - Richland County (attention: Junior Fair). Late entries for any Junior Fair exhibit, show or activity shall not be accepted. Entries received after the deadline will be considered late and returned to the exhibitor (see Grievances #15). If an exhibitor would like to request additional pen/tack space, that request should be noted on the Junior Fair entry form and then passed on to the Barn Superintendent (Senior Fair). All breeding and show animal exhibits require the completion of the BREEDING IDENTIFICATION FORM by the fair entry deadline stated above (exception: horses with their required paperwork).

11. **ENTRY FEES:** No entry fees shall be charged for entry in any Junior Fair department. Any Junior Fair exhibitor showing their current year's project or any other items (non-project) in Open Class shall follow the rules and guidelines of the Richland County Agricultural Society for exhibiting, including securing a membership ticket and/or appropriate open class fees.

**Official Records, Violations and Grievances**

12. **DOCUMENT TAMPERING:** Tampering or altering an official Junior Fair document will result in IMMEDIATE loss of all Junior Fair exhibition, showing, sale and participation in extra-curricular activities and Junior Fair privileges. Participation in Junior Fair shows and activities is reserved for Junior Fair exhibitors who are enrolled with the Junior Fair program by April 1 of the current year. Only officially enrolled exhibitors may participate and compete for awards and recognition in official, competitive Junior Fair shows and/or activities.

13. **OFFICIAL RULES & REGULATION INTERPRETATION AND SHOW/ACTIVITY OPERATIONS:** The Richland County Junior Fair Board (with guidance from the Richland County Agricultural Society) reserves the final and absolute right to interpret all Junior Fair rules and regulations and to settle and determine all matters, questions or differences in regard thereto. It further reserves the right to determine unforeseen matters not covered by these rules, to amend or add to these rules as in its judgment deems necessary. All decisions of the Junior Fair Board are final, with Richland County Agricultural Society Board approval. The Junior Fair Board has the right and responsibility to determine how all Junior Fair shows and activities are operated and governed for the benefit of all exhibitors.

For rule violations related to showing/exhibiting livestock, cases will be referred to the Species Sub-Committees and the Junior Fair Board (where specific rules/guidelines are approved), and then reviewed by the Junior Fair Adjudication Committee for a final decision and potential action, if needed.
14. **EVIDENCE OF VIOLATION:** When satisfactory evidence has been obtained by the Junior Fair Board that any of the Junior Fair rules have been violated, the exhibitor may be subject to return all awards, trophies, premiums, ribbons and sale proceeds, plus have their exhibit removed from the fairgrounds. Additionally, any damage to the fairgrounds property committed by a Junior Fair exhibitor (or their family) may also result in loss of premium, exhibit removal and possible payment for damages. Serious violations may cause the exhibitor and/or the exhibitor's family to be barred from showing in future Richland County Fairs. Unless fraud and/or deception are involved, all championship placings will stand. If evidence supports exhibitor and exhibit immediate removal (including, but not limited to, infractions of rule #24), exhibitors shall have no more than 24 hours to return their fair pass to the Junior Fair Office and have exhibits and all belongings removed from the fairgrounds.

15. **GRIEVANCES:** Any grievances concerning Junior Fair shows, activities or events are to be formally submitted in writing by the person affected or the parent/guardian (with name signed) to the Junior Fair Board. Grievances regarding infractions of Junior Fair rules must be submitted in writing to the Junior Fair Board President (via the OSU Extension Office). Such grievances may be handled by the Junior Fair Board Executive Committee, the entire Board as the President of the Junior Fair Board deems necessary and appropriate assistance of the Adjudication Committee. Grievance petitioners may present evidence or argument in support of the complaint, if necessary. Parties involved may be asked to be present at a meeting.

16. **PROGRAM AND RULE CHANGES:** If a committee exists closely related to an issue (i.e., 4-H Committee, Livestock Committee/species committees, Barn Raisers), then program and rule changes should be presented and receive feedback from those committees before being presented to the Junior Fair Board for consideration and review annually in the fall. No changes or additions to Junior Fair shows shall be approved or implemented without Junior Fair Board approval. All final rules changes/adjustments will be reviewed and approved by the Senior Fair Board at their January meeting.

**Project Animal Ownership, Tampering of Records & Exhibit Eligibility**

17. **OWNERSHIP OF PROJECT ANIMALS:** Ownership of project animals (including leasing for saddle horse and alpaca projects) must be in place and the project animal(s) be in the continual care of the exhibitor no later than June 1 of the current year. After June 1, owners of project animals that have been lost (death, injury, theft, etc.), sold/consigned through an auction, changed by any other type of transaction or declared ineligible to be exhibited at the fair, shall be given the opportunity to exhibit a poster for project exhibit in the Junior Fair. Sale of any market or breeding animal is considered change of ownership. The only exceptions to the June 1 ownership/continual care rule are: 1) dog ownership is April 1, 2022, 2) market rabbits in which ownership shall be final after their designated identification date, 3) market broilers and market ducks which shall be in continual care as of the designated pick-up day in June, 4) market turkeys which shall be in continual care as of the designated pick-up day in April and 5) all other market livestock which must be in the continual care and ownership by the species' designated identification day. In the case of the above named exceptions, exhibitors of these livestock animals may also opt to exhibit a poster for premium if it is determined their animal(s) are unable to be exhibited after their designated identification day. All market poultry must be from the Junior Fair pool of birds received at the Extension Office on pick-up day. Animals cannot be replaced or shared after the identification (i.e., tagging, tattooing, etc.) possession date for each species. Exception: a horse exhibitor may bring a registered back-up horse which meets the June 1 registration deadline and the Back-Up Horse Policy in *Horse Department H*rule listings.
Market animals cannot be leased as per the Ohio Revised Code (http://codes.ohio.gov/oac/901-19-39v1). The only animals that can be leased are dairy animals, alpacas and horses.

18. TAMPERING ANIMAL RECORDS: Tampering and/or misrepresentation as to the breeding, age, animal quality, ownership and any other irregularity of an animal for showing or sale will be considered fraud and deception. Appropriate action will be taken by the Junior Fair Board, Senior Fair Board, Junior Fair Adjudication Committee, and/or Ohio Department of Agriculture officials.

19. JUNIOR FAIR AND LIVESTOCK SALE ELIGIBILITY: If appropriate animals are in the continual care and ownership of the exhibitor by the designated species identification day, the animals can be eligible for fair exhibit. Exhibitors and animals must participate in the market class for their entry. Participation in the Livestock Sale is determined by the rules and governance of the Livestock Committee. Animals determined not to be eligible for livestock sale participation (as per the Livestock Committee), could be exhibited in a non-sale class and be eligible for showmanship classes ONLY at the fair if the animal(s) meet the specific class guidelines (i.e., pen of two). Only exception to tagging is poultry where all birds must come from the county pool.

MARKET CLASS ELIGIBILITY: If a market animal(s) weight (individual/pen) is under the defined minimum market weight for said species, animals (individual/pen) must weigh at least 70% of the designated minimum weight to remain on the fairgrounds. The animal(s) then must be eligible for and show in the non-sale class before it will be allowed to show in the species showmanship class. Animals not meeting this minimum weight will be sent home immediately.

20. ANIMAL IDENTIFICATION REMOVAL: Removal of an official identification of any fair exhibit animal is not permitted. See Livestock Committee rules for more clarification.

Premiums

21. PREMIUMS: Premiums will be paid to Junior Fair exhibitors who have the required exhibit displayed, project registered with an active Junior Fair organization, the appropriate entry (if required) submitted by deadline date, required interview judging completed, and project shown in required class, and project exhibited the entire fair week (unless approval is given otherwise by General Junior Fair Superintendent). Project requirements will be listed within the Junior Fair Book and in the Official Junior Fair Project Guidelines booklet. Specific criteria will be followed in evaluating 4-H/FFA project materials. Youth judged after the designated judging date, but before the final judging deadline (listed below), shall have made prior arrangements with the Extension Office (without penalty) or have late penalties applied where appropriate.

THERE WILL BE NO PREMIUMS PAID TO MARKET LIVESTOCK EXHIBITED AT THE FAIR. If a market animal dies and a poster becomes the fair exhibit, a poster premium (based on the grade; example A = $3) will be paid for the project. The number of premiums allowed for breeding animals in the same species shall not exceed six for beef, goats and sheep. Livestock projects that end up being poster projects (due to illness/death, etc.) must be judged at the Livestock Interview judging (exhibitor must complete project book along with record book and bring to judging). Eligible poster projects will receive a poster premium. The entire county livestock interview judging/skillathon process must be completed with a poster project and records kept up to the date of the animal’s death. Junior Fair current year exhibit premiums for non-market livestock and still exhibits shall be paid in cash at the county fair. No premiums will be paid after November 1 annually (if verified by advisors by this deadline). Exhibitors bringing a poster as an exhibit (rather than a live animal) must still meet all
qualifications, including quality assurance, of being a livestock exhibitor to receive a fair poster premium.

Interview Judging Dates, Rules and Award Eligibility

22. **INTERVIEW JUDGING DATES:** All exhibits (still and livestock projects) must be judged on one of three assigned judging days (early, if applicable, regular or late/make-up) unless a medical emergency, family member funeral, extenuating circumstances, or other emergency occurs. Interview judging dates shall be announced annually no later than June 1. Youth not participating in the Junior Fair interview judging experience by the required deadline shall not participate in any Junior Fair show or activity. To participate in a make-up interview (any project), exhibitor must call the OSU Extension Office and schedule/confirm an appointment for the make-up date on or before the official judging date and time frame. No livestock project interviews shall be conducted after Tuesday, July 19, 2022 (7:00 p.m.). No still project interviews shall be conducted after Thursday, July 14, 2022 (6:00 p.m.).

23. **INTERVIEW JUDGING:** All project grades will be based on an individual interview (still projects) and overall skillathon (livestock projects) provided by Junior Fair program officials/judges. NOTE: FFA students will complete project evaluations using the SAE rubric and conducted on project premises by vocational agriculture instructors. All 4-H livestock projects (poster or live exhibit) must complete the entire livestock skillathon process. All judging (including horses, alpacas and dogs) will be solely based on interview/skillathon scores. Criteria will be set and a list will be developed of items required for book judging, including required questions to be completed on Quality Assurance. Livestock Interview Judging to include: cuts/parts, breeds, quality assurance, feedstuff identification, record book(s), interview (project knowledge of resource materials), and organizational questions. Junior Fair exhibitors must have at least a “70%” livestock interview judging grade or NO exhibit, show and/or sale will be permitted. For exhibitors to get on the late judging list, a work release, parent letter or other official document must be presented to the Extension office to get on the late list. Unreasonable excuses will not be accepted. The documentation must be on file prior to the start of the respective make-up judging day.

**OUTSTANDING EXHIBIT AWARDS ELIGIBILITY:** Outstanding Exhibitor awards for livestock will be based on total livestock interview judging score, includes the face-to-face interview score, and an additional bonus question(s). Minimum interview judging score eligibility for outstanding market exhibitor and outstanding livestock exhibit awards is 99 out of 100 points. An additional question(s) will be asked from the eligibility pool above to be designated as an Outstanding Exhibit award recipient.

If projects are judged before the official judging day, these projects are eligible for outstanding exhibit and other county awards and state fair participation. If judged after the official judging day, eligibility for county awards and state fair are eliminated, but projects can still receive outstanding exhibit recognition if the criteria above is met.

**PARENT/GUARDIAN SUPPORT:** Parents/guardians are encouraged to attend 4-H Super Clinic and Quality Assurance sessions to gain information about Junior Fair rules, events and programming.

Exhibitor Behavior and Responsibility

24. **UNSPORTSMANLIKE OR DISORDERLY CONDUCT:** Exhibitors shall not engage in unsportspersonlike (violating accepted standards or rules) or disorderly conduct on the fairgrounds. No horseplay will be permitted around any Junior Fair exhibit barn or building, including bicycles. Manure dumping will not be tolerated at any time. No firecrackers, alcoholic beverages, weapons (including long-blade knives), laser-type mechanisms or
illegal drugs are permitted within or near any Junior Fair buildings, exhibit areas or in any other area of the fairgrounds. Smoking is not permitted in or near any Junior Fair or open class building or barn. Chewing tobacco (or any tobacco product) is prohibited within any Junior Fair activity or event. Skateboards will not be permitted around any Junior Fair barn or building. Inappropriate language is not acceptable. Inappropriate use of social media by exhibitors or volunteers will not be tolerated. Violators are subject to penalties, including the forfeiture of participation the remainder of fair week. Inappropriate behavior by a Junior Fair exhibitor, on the fairgrounds or at a Junior Fair activity, resulting in arrest or legal consequences will suspend the Junior Fair exhibitor from ALL Junior Fair exhibition, privileges, premiums and activities. The official Junior Fair entry pass/ID shall be revoked immediately and considered void for the remainder of the fair.

25. **CELL PHONES USE:** Cell phones can not be used (including incoming and outgoing calls, gaming, web searching and texting) during Quality Assurance, clinics, the judging process (including the holding area), the sale process (including the line up area) or during any competitive events where the exhibitor is a participant in the event. After the first warning (any time beginning with educational events through the county fair), a list will be kept by the Junior Fair Board. Failure to comply after the warning will mean a dismissal from that event (i.e., sale, judging, shows).

**Fair Admission**

26. **FAIR ADMISSION:** All Junior Fair organization members who have fair exhibits on the fairgrounds will be given an initial fair pass (identification card) for the week free of charge from the Ag Society. If the admission pass requires a replacement pass (identification card) prior to or during the fair a $5 replacement fee will be assessed. A second replacement will be issued at $10. NO further replacements will be made after the second admission card. The same policy applies to Junior Fair official advisor/leader passes. Fair passes should not be shared with other exhibitors or non-exhibitors at any time.

**Fair Exhibit Regulations**

27. **EXHIBIT DISPLAY TIMES:** Still exhibits not exhibited in a booth (as per the Official Junior Fair Project Guidelines) shall be on display by Sunday, first day of fair, by 12:00 noon (official opening time of fair). ALL market livestock must enter the fairgrounds from 8:00 a.m. until 5:00 p.m. on Saturday, August 6 (hours the vet will be on the grounds, plus during weigh in hours, if applicable). Breeding animals, alpacas and horses (to do Body Condition Score review) must be in place by 8:00 p.m., August 6. Late arrival or early release animals from an Ohio State Fair exhibit will be accepted if prior approval is given by the Extension staff (see #33). 4-H booths must be completed by 5:15 p.m. Saturday (day prior to start of fair). Livestock exhibits, breeding animals, horses and alpacas will be released on Sunday, August 14 beginning at 8:00 a.m. All still exhibits will be released from 10:15 – 11:00 p.m. on Saturday, August 13 with all exhibits to be removed by 11:00 p.m. NO vehicles will be allowed on the grounds on Saturday night, August 13. Still exhibits and booths materials not removed by 11:00 p.m. will be removed/destroyed by the Junior Fair Board. All animal exhibits, tack and other supplies shall be cleaned out/removed by 1:00 p.m. Sunday, August 14.

**EMERGENCY LATE ARRIVAL:** If an emergency arises whereby the exhibitor and/or their animals are prevented from arriving on the fairgrounds for late arrival, weigh-in times, etc., the exhibitor/family must call the Senior Fair Office (419-747-3717) to notify them of the emergency.

28. **VETERINARY SERVICES:** All animals shall be verified on sight by the fair veterinarian before unloading and/or placing the animal in a stall or pen.

29. **PEN OR STALL ASSIGNMENT:** All pens or stalls will be assigned by the Junior Fair
Department Superintendents (with assistance from Barn Superintendent) according to clubs or chapters. Animals should be kept in their respective barns (or exercised in approved areas) at all times except show and sale days when the animals should be shown in the appropriate show area. If a “potential” live animal exhibit listed on a fair entry is not exhibited, that stall/pen/cage is subject to other use at the discretion of the Junior and Senior Fair Board barn superintendents. Failure to exhibit a project does not give that exhibitor’s family or club/chapter eligibility/priority for use of said space.

30. **CLEANING OF PENS/STALLS:** Exhibitors MUST keep pens, aisles and outside barn areas clean and in order, along with keeping their animals on exhibit clean and well cared for as a part of their contribution to the Richland County Junior Fair. Manure must be fully taken to the designated area for each barn and not deposited at any point elsewhere. Further neglect and lack of cooperation will result in automatic premium forfeiture or $50 pre-livestock check release payment (market animals), if applicable.

**BARN INSPECTIONS:** Daily barn inspections will be completed by adults representing the Junior Fair Board (by Junior Fair General Superintendent) and by Junior Fair Board officials only. Warnings for dirty pens and/or neglect will be posted daily. Duck exhibitors must have new sawdust and/or clean-up exhibit area so sawdust is not packed down when inspections are made. All livestock: First notification will be a warning (posted in barn). If an exhibitor receives a second rule violation, the premium (if applicable) will be forfeited or $50 shall be payable by the exhibitor to the Junior Fair before the livestock sale check is distributed. A third barn warning will cause market animals to be ineligible for the Junior Fair Livestock Sale and all animals ineligible for Herdsman awards. If an exhibitor’s name is listed on two of three barn inspection lists for the day (provided by Herdsman judges and barn superintendents’ team), that name will be posted on the daily “Barn Warning List. Barn inspections do include the immediate aisle way to make the area visibly appealing and clear of obstruction.

**PEN OR STALL FEE:** All animal pens/stalls/cages MUST be thoroughly cleaned immediately after the livestock exhibit’s release and/or by 1:00 p.m. Sunday, August 14. Junior Fair Board personnel will inspect all pens or stalls by 1 p.m. on Sunday, August 14. A penalty of $50 will be assessed to the exhibitor and shall be collected prior to the release of a livestock sale check or breeding premium(s) if the exhibitor does not clean pen/stall/cage once animal(s) have been removed from the fairgrounds and by the 1 p.m. Sunday (day after fair) deadline. Breeding animals will be penalized by forfeiting their breeding premiums for not cleaning pen/stall/cage by 1:00 p.m. on Sunday, August 14. Stalls/pens/cages must be thoroughly cleaned and all personal items removed by 1:00 p.m. on Sunday, August 14. Failure to clean pens/stalls/cages could make exhibitor susceptible to have fees doubled for the following year or may make them ineligible to participate in future fair exhibits. Exhibitors should verify cleaned pens with the Junior Fair Barn Superintendent before leaving the fairgrounds.

31. **SHOW ARENA CLEAN UP:** Immediately after a premium show, all exhibitors MUST stay and clean pens, aisles and show ring arena. Barn superintendents (including Junior Fair) shall stay and oversee the process.

32. **MOVING OF PEN ASSIGNMENTS:** Junior Fair exhibitors, family members, advisors, key leaders and others may not move livestock barn pen assignments without the approval of the Junior Fair Superintendents in charge of the respective barn. If livestock barn pen assignments are moved without the approval from the department’s Junior Fair Board Superintendent(s) (not including movement within a club or chapter), a $10 penalty per moved exhibit will be assessed on the exhibitor’s premium and/or be payable before the release of the exhibitor’s livestock sale check.
33. **SPECIAL RELEASE OF ANIMALS:** Only animals registered for an official show (i.e., Ohio State Fair) exhibit shall be accepted for exhibit (including premium, if applicable) after the arrival deadline. Requests for such action need to be submitted in writing to the General Junior Fair Superintendent prior to the start of the county fair with documentation on file. Animals must arrive at the Richland County Fair no more than one day (24 hours) after the other official show's check out time. The exhibitor's other animal exhibits — and those of the exhibitor's family living in the same household — not shown at another official show, may arrive late all together with prior permission from the General Junior Fair Superintendent (Extension office), if all names and animals are listed on the request letter. The Species Committee(s) leader(s) will be notified of any late arrivals. Also, arrangements must be made with the Livestock Committee by the exhibitor(s) prior to the start of the fair. For other animals registered/shown by the exhibitor (not to be shown at another official show) that are released early/arrive late, the premiums for these animals will be forfeited.

**Fair Booths**

34. **BOOTH RESPONSIBILITY:** For 4-H and FFA booths, members of the respective organization must be present in active preparation of the booth or the booth may be subject to disqualification and loss of booth premium. Note: staples cannot be larger than 5/16" deep and ½" wide in their entire booth area. Also, 4-H clubs and FFA chapters are responsible for the clean-up (including removal of any staples, nails, screws and any other items used that would interfere with storage and safety of the fair booth partitions or face loss of premium and potential non-opportunity to exhibit in the future) of their entire booth area from 10:15 to 11 p.m. Saturday, August 13 before the booth premium will be allocated. Someone from each club/chapter must check in with Still Exhibit Department Staff to get an "all clear" (sign out) before leaving the grounds. Additional booth rules may apply.

35. **4-H BOOTH VERIFICATION:** Each 4-H club booth must have a parent, advisor or responsible older youth (other than a Junior Fair Board member) verify projects contained in club booths no later than 5:15 p.m. on Saturday, August 6 in the Youth Hall. Arrangements for booth verification can be made in the Junior Fair Office starting Thursday, August 4. The Youth Hall will be closed for judging at 5:15 p.m. on Saturday (day prior to opening of the fair). Exhibitors must follow the Official Junior Fair Project Requirements for specific exhibit guidelines.

**Junior Fair Events Regulations**

36. **COMPETITIVE EVENTS PARTICIPATION:** Participation by the exhibitor in the Junior Fair competitive events involving a current exhibit (animals and still) requires that the exhibit be placed on the fairgrounds during the entire fair. Exceptions may be made for projects also exhibited at the Ohio State Fair. All Junior Fair youth exhibiting livestock must exhibit their animals the entire fair week unless animals are released by the fair veterinarian or Junior Fair General Superintendent, with consultation from the Junior Fair Executive Committee, for special health/personal reasons. Premiums will be withheld for any exhibitor (unless for reasons above) bringing in or removing their exhibits outside the required exhibit time 12:00 noon Sunday (opening day), or earlier time as stated above (see livestock above #27), until designated release time at the end of the fair for all exhibits (still and livestock). Any removal of exhibits from the Junior Fair program (including those with approval) must include notification to the appropriate officials in the Junior Fair office.

37. **PARTICIPATION IN OFFICIAL LIVESTOCK SALE CLASS:** In order to participate in the Livestock Sale, an exhibitor must have an appropriately completed entry on file by the deadline and must show in an Official Junior Fair class. Note: showmanship (all livestock other than horses) does not qualify as an official class. Livestock exhibitors are required to check in with show team officials to verify their animal's ear tag number or species age/tag (pre-fair letter) before entering the show and sale ring. Livestock class participants will receive a first and second call. After the second call, the class will be closed. Exhibitors with
multiple animals should notify the Ring Steward prior to the class so participation arrangements can be made.

**WRONG CLASS:** Animals entering the wrong show class will NOT be counted for exhibiting and NOT eligible for sale (including, but not limited to, showing in an incorrect weight or breeding class on show day). Animals will be excluded from class/show awards. Violators will forfeit all awards. There are no make-up showmanship classes.

38. **COACHING DURING JUNIOR FAIR COMPETITIVE EVENTS:** Coaching from the sidelines is NOT permitted during Junior Fair activities. No person shall distract, give advice/prompt and/or coach exhibitors while they are actively participating in any Junior Fair event or competition. Infractions related to coaching will be referred to the relevant species committee and Junior Fair Board, including verbal notification to an offender. In serious cases, and/or if coaching ceases to exist, the Junior Fair Adjudication Committee will review the situation and render a final decision with action toward the exhibitor and/or the family member(s) involved. A violation of this rule could eliminate the exhibitor from further competition in that event (and other Junior Fair events) during the current and future fairs.

39. **DRESS CODE:** Exhibitors are required to wear neat, clean and appropriate for interview/show/sale/activity clothing. After one warning the penalty for non-compliance will be that the exhibitor will be removed from the interview/show/sale/activity immediately. Appropriate clothing includes shoes, sleeved shirt/top and pants/shorts/skirt. No halter tops or tank tops, extremely short shorts (no shorts or skirts above the knee), shorts/shorts with visible view of midriff (no bare midriff or low-cut tops) no visible cleavage and/or shoulders, no clothing with obscene or alcohol-related/illegal drug wording or designs will be permitted (only wording referencing 4-H or FFA on T-shirts, polos, shirts). Jeans cannot be altered other than with jean material and should not be ripped. All tattoos must be covered during judging, shows, sale and other Junior Fair events. Facial piercings will be limited to two (i.e., earrings, including multiple sets of earrings in the ears, will count as one piercing). Enforcement will be at the discretion of the interview/show/activity team.

**Non-Show Junior Fair Events:** The dress code for non-show events (including Quality Assurance and EquiSTEP classes) and activities includes the requirement above, plus a sleeved shirt/top.

**Additional Livestock Exhibitor Requirements:** Must wear a sleeved, collared shirt -- that must remain TUCKED IN (outside shirt must remain tucked in) and long pants or skirt for livestock shows, sale and picture (taken on Saturday and/or Sunday during weigh-in, time depending on species). There will be NO exposed shoulders, cleavage and/or exposed midriff permitted. First warning: exhibitor must secure a new shirt or be able to keep current outside shirt tucked in. Second time notice given, exhibitor is removed from the ring and from all eligibility for awards and sale. Policy shall be enforced by members of the show team and Junior Fair Board members. Clothing requirements must be followed in showmanship as well as market/breeding shows, classes and sale days. See Show Day ONLY Dress Code for specific species requirements (page 15). No hats permitted (exception – horse exhibitors and for pre-approved by Junior Fair Board for medical reasons). No tennis shoes will be permitted in any of the following species of livestock: (cattle, swine, feeder calves, horses, steers, sheep, alpacas and/or lamas. Specific requirements for shoes for all livestock show/sale events is that the entire foot must be covered.

**Interview Judging Dress Code:** All exhibitors must wear respectable clothing with no exposed shoulders, midriff and/or cleavage showing. No inappropriate logos or writing on T-shirts will be permitted. No shorts or skirts above the knee, no halter tops or tank tops, no bare midriff or low-cut tops, no clothing with wording (other than 4-H, FFA or farm name t-
shirts, polos, shirts), and no hats. ADVISORS AND JUDGES WILL BE EXPECTED TO FOLLOW SAME DRESS CODE. Dress code will be enforced.

(LIVESTOCK SHOW DAY ONLY) DRESS CODE – LIVESTOCK SHOW DAY ONLY
(In addition to general and other livestock exhibitor requirements for all species)

Goats (Market Dairy & Boer & Dairy) – Sleeved (any color), collared shirt, jeans (or skirt), hard-soled shoes.
Beef Cattle – Jeans, (any color) sleeved, collared shirt, hard-soled shoes
Sheep – Jeans, any color sleeved, collared shirt, hard-soled shoes
Swine – Jeans, any color sleeved, collared shirt, hard-soled shoes
Poultry – Dark pants, any color long-sleeved collared shirt (may also wear lab coat)
Rabbits – Blue or black jeans, any color long-sleeved, collared shirt (may also wear lab coat)

ALL SPECIES – Appropriate clothing includes fully covered shoes, shirt/top and pants/shorts/skirt. Sleeved, collared shirt must remain tucked in (outside shirt must remain tucked in). No exposed shoulders, cleavage or midriff showing will be permitted. First warning: exhibitor must secure a new shirt or be able to keep current shirt tucked in. Second time notice given, exhibitor is removed from the ring and from all eligibility for awards and sale. Policy shall be enforced by members of the show team and Junior Fair Board members. Livestock exhibitors must wear long pants or skirt for livestock shows, sale and pictures. Shoes must cover the entire foot – no tennis shoes permitted for cattle, horses, sheep, lamas and hog show/sale/pictures. HATS are not permitted – EXCEPTION: Junior Fair Horse Show and for pre-approved (by Junior Fair Board) medical reasons.

40. SHOW TEAMS – Only show team members with a designated position (and wearing official show badges) shall be permitted in the show ring before/during a Junior Fair show or activity. Only the head recorder (show team official) can record a scratch. Current Junior Fair exhibitors shall not act as members of the show team in a show where they are currently exhibiting. Show team members must be dressed appropriately and follow Junior Fair exhibitor required behavior guidelines.

Show Team Accidental Error: If a member of a Show Team makes an accidental clerical error, the ribbon for the class may be kept by the non-winning exhibitor, but the correct individual (true winner) will be placed in the correct class, be considered for awards and/or upward placement, and receive any other award than a ribbon.

41. CONTACT WITH JUNIOR FAIR JUDGES: An exhibitor (plus family or designee) shall have no formal or informal communication with a Junior Fair judge prior to the fair show or in the show ring/arena during a show where the exhibitor is participating. Exception to judge communication ban is for the show chairperson, ring master or show team official (no notes, letters, conversation) just prior or during a show. Inappropriate contact with a judge will not be tolerated. No individuals other than show team officials can be inside the show ring or have conversation with the judge, including while animals are in holding pens during active competition (parent can water animal, but should not be coaching an exhibitor). No coaching is allowed at this time. The first infraction concerning judge contact will be a warning. The second infraction may result in the exhibitor’s name shared with the judge and possible disqualification from classes for the individual exhibitor. Each Junior Fair department will
assign the person(s) to fulfill the supervisory role around holding areas.

42. **DIVISIONS OF JUNIOR FAIR MARKET LIVESTOCK:** Some species may have more than one division of market livestock. Examples: dairy & beef steers, dairy & beef feeder calves and dairy & meat breed goats. Four (4) exhibitors are required to maintain a division/species. If there are not four (4) exhibitors for two consecutive years, the division/species will be eliminated the third year. The re-establishment of the division/species, must have two (2) consecutive years of four (4) exhibitors to bring the division/species back in the third year. NOTE: does not pertain to breeds within a species. Rules are already on the books for breeds.

43. **BREEDING AND MARKET CLASS LIMITATIONS:** An animal showing in a breeding class cannot be shown in a market class. Junior Fair market exhibitors shall not exhibit a Junior Fair market animal in an Open Class breeding class. Exception: Beef heifers may show in a breeding class and a market class.

44. **CLASS ENTRIES PER EXHIBITOR:** The total number of market class entries per exhibitor shall not exceed: two individual animal exhibits for each species of market steers, hogs, lambs, goats, and feeder calves. Broilers and duck market classes will permit one pen/exhibit per exhibitor. Market turkey classes will permit one bird per exhibitor. Market rabbit exhibits are composed of a pen of two market rabbits. Rabbit exhibitors are limited to two exhibits (market and/or breeding). The exhibits are described in the project/department listings. Fancy and production poultry exhibit guidelines are listed within the project/department section.

45. **SALE CLASS ANIMAL RESTRICTIONS:** Sign-up in the non-sale class eliminates an exhibitor from champion awards and selling in the livestock sale privileges.

46. **CASTRATION RULES:** Rules pertaining to castration for market livestock are detailed in each appropriate species section of the Junior Fair book.

**Care of Animals at the Fair**

47. **FEEDING EQUIPMENT:** All animal exhibits must have the appropriate (and secured from tipping over) water and feeding equipment available throughout fair week.

48. **HEALTH RULES:** Health rules as prescribed for all fairs by the Ohio Department of Agriculture, must be followed (see Inspection and Health Requirements in Senior Fair Book or online at www.richlandcountyfair.com).

49. **STRESS OF ANIMALS:** Animals shall not be put under stress by the exhibitor while in the show or sale ring including, but not limited to, pinching of chest, slapping on sides of animals and icing down of animals prior to show or sale (including use of iced towels, SHEEP ONLY). Application of ice, ice packs or cold compresses (i.e., items dipped in ice water) may only be applied to animals with prior approval by a licensed veterinarian. Exhibitors must have paperwork in hand to prove pre-approval by the licensed veterinarian.

50. **AREAS ANIMALS NOT PERMITTED:** No animals will be permitted in the cemented show arena areas or other public areas, including restrooms and memorial park. “Tie-outs” will be permitted only in the area designated by the adult Barn Superintendent of the respective livestock barn.

51. **OHIO DEPARTMENT OF AGRICULTURE RULES:** Chapter 901-19 of the Administrative Code (Ohio's livestock tampering exhibition rules) will be made available to a livestock exhibitor or an adult advisor, upon request."
a) Drenching is defined as the act of using an instrument, including a bottle, placed in an animal's mouth to orally administer a liquid, food, or any other substance. Drenching of any market livestock is prohibited unless authorized by a licensed veterinarian for a medical condition (901-19-12).

b) Over the counter drugs shall not be administered immediately before or during an exhibition unless: by or under the supervision of the exhibitor, owner of livestock or vet, only in accordance with label directions, only for a valid medical purpose and a DUNF is completed and filed.

c) When a Drug Use Notification Form (DUNF) submitted to a records official for livestock is incomplete, illegible or unsigned neither the exhibitor nor the owner shall, until the defect is corrected – receive any prizes or awards from shows in which the livestock was exhibited prior to the time the DUNF was to be filed or participate in any shows or sales held subsequent to the time the DUNF was to be filed.

d) False, deceptive or unacceptable practices include: a) showing market livestock which has been treated with any type of drug/enhancement whose side effect of the drug conceals, enhances, transforms, or changes the true conformation or condition of the livestock, b) any natural occurrence or surgical process which results in testicular tissue remaining in the body of exhibition livestock except rabbits and poultry and c) castration of livestock which exceed the following criteria:
   - Cattle over eight months of age
   - Swine over 75 pounds
   - Sheep over 75 pounds

e) It is a prohibited practice to show any livestock which contains a drug in an amount which exceeds the tolerance if established or safe level, or a drug for which the withdrawal period has not elapsed.

f) Market animals must be owned by the exhibitor. There shall be no leasing of any market animal in any species.

g) Any drug or medication considered to alter the central nervous system of an animal is considered an exhibition banned drug. No tolerance will be given for such drug use.

52. **BEDDING:** Bedding shall be provided by the exhibitor. Wood chips, corn cobs or sawdust bedding is acceptable for use in the sheep barn. Cedar should not be used for rabbits.

53. **DESIGNATED AREAS FOR MANURE:** Manure must be placed only in designated areas. Dumping in other exhibitor's pens or aisles, or undesignated areas, will not be permitted. Violators will be reported to the Junior Fair Office and subject to participation penalties.

54. **ANIMAL ILLNESS AT FAIR:** If an animal becomes sick, the exhibitor should contact a veterinarian, not the breeder. The fair veterinarian and the Junior Fair Office officials should be notified of all illnesses or injury.

**LIABILITY:** An individual exhibitor (and their family) or representative is liable for their animal/exhibit and any damage done by the animal/exhibit prior to and during the fair.

55. **USE OF UNLICENSED SUBSTANCE:** No exhibitor shall enter an animal in a junior livestock division competition of the Richland County Junior Fair that has been administered, fed, given or injected a drug or any other substance, except drugs or substances that are administered, fed, given, or injected by a licensed veterinarian.

56. **UNETHICAL FITTING OF ANIMAL:** No participant shall unethically fit their own or another exhibitor’s animal entry. Unethically fitting an animal means to alter or change the natural appearance, weight, musculature or conformation of an animal in an unnatural or artificial manner including, but not limited to, the removal of animal tissue or body part, to cut or tear the hide, to cover, dye or color the hair, to add artificial tail heads, switches, polls, hair, or healed, to tail block, to administer feed to animals of other's ownership, and to give or inject any substance or drug to an animal exhibited. (Except when medically necessary, or when
the drug used has been approved for such use by the Food and Drug Administration or United States Department of Agriculture. No substance shall be added externally to build up, change, or alter the shape or conformation of the livestock, including, by way of example, but not limited to, rope, false tail, graphite, hemp, or powders. Pigmented grooming aids or materials will not be permitted. No substance shall be used to alter the appearance of the animal's muscle composition including, but not limited to, the use of ice and injected substances. The use of any substance to enhance or change the color of livestock, including the livestock's hide or hooves, is prohibited. Adding any substance externally to build up, change or alter the shape or conformation of the livestock, including by way of example but not limited to rope, false hair, graphite, and powders (unless these grooming practices are permitted under rule 901-19-32 breed shows or classes). No slick clipping or body shaving on market hogs except on the ears and tails. On show day, no hogs are to be shown with oil or powder used for a grooming substance. No other substance that will cause hogs to overheat may be used. Show officials can check for these substances on show day.

The substances/procedures that MAY BE USED on animals include, but are not limited to, spray adhesives that do not leave residues and are washable by water or shampoo, foams, hoof polish, clipping, spray bottles, and cleansing shampoos. If there are any questions or what substances/procedures that may be used, contact the Jr. Fair Superintendent of the corresponding barn or the General Jr. Fair Superintendent. Exception: Horses are excluded from the above limitations except administration of any drug affecting the central nervous system is prohibited (which includes tail blocking).

57. **ANIMAL GROOMING:** In regards to grooming: The Junior Fair exhibitor must assume the majority of the work and must be present in a learning mode. No one other than immediate family, current Junior Fair exhibitors and registered advisors of the Richland County program can help in getting an animal ready during the fair. If another person, other than the exhibitor, is to assist with grooming (only those listed above), then the Junior Fair exhibitor that owns the animal MUST be present for the duration of the assistance given by another person. No outside breeders or helpers (other than those listed above) can touch animals. If this rule is violated, the exhibitor is barred from showing in a Junior Fair class and selling the animal at the livestock sale in the current year. Any action that is to have taken place concerning this rule must occur prior to the animal's showing.

58. **MUZZLES:** No animal shall wear muzzles while on the fairgrounds.

59. **COMPLIANCE WITH BARN RULES:** Junior Fair exhibitors are expected to comply with all barn rules and are expected to take care of their animals on a daily basis (or more often as weather/temperature requires). If the Barn Superintendent, under consultation with the General Junior Fair Superintendent, believe the animals are at risk because of lack of care, the exhibitor will be warned once to take appropriate action. If the exhibitor does not comply, the animals will be dismissed from fair exhibit, including all awards, premiums and exhibitor privileges.

60. **CARE, SHOWING AND SELLING OF ANIMALS:** Junior Fair exhibitors MUST be present to care, show and sell their own animal/project(s) throughout fair week. No parent or individual, other than another Junior Fair exhibitor, is permitted to show and/or sell a Junior Fair project. The latter is to be done ONLY in the case of severe injury, illness, death in the family of the owner/exhibitor or when two animals (owned by the same exhibitor) are showing in the same class. If an exhibitor is physically unable to show or sell his/her animal(s) they must have prior approval from the Junior Fair Superintendent, or other designated Extension official. The individual should be present at the time of show and sale, if possible. Exhibitor must have their signature, ID number and signature and ID number of the alternate showman, plus approval signature of parent/guardian/advisor. A list of the
changes will be provided to the ring steward (+ official recorder) at each show for that species. The original will be kept in the Junior Fair Office. Other reasons may be accepted if deemed necessary by the General Junior Fair Superintendent. All Junior Fair exhibits shown and/or run through the sale ring by another exhibitor (other than the owner) must be reported to the Junior Fair office PRIOR to the start of the show and/or sale. If an exhibitor has two animals in the same championship drive class, the ring steward and/or head recorder must be notified of that person approved to assume showing responsibilities.

Awards and Award Follow-up

61. **HERDSMEN AWARDS**: Individual and club/chapter herdsman awards will be selected by a mixture of 4-H, FFA, Junior Fair and Senior Fair volunteers. Selection based on: 1) cooperative effort, 2) preparation and care of animals, and 3) attractiveness of exhibit. Barn reviews will be done daily at these times: 1) 9:00 a.m. – noon; 2) noon – 2:00 p.m. and 3) 2:00 – 5:00 p.m. If a parent or other adult is observed doing the upkeep and cleaning for an exhibit, that individual will not be considered for that day’s award. Junior Fair exhibitors must refrain from talking with herdsmen judges during reviewing time for awards consideration. Individual and club/chapter awards will be selected daily (other than show days) in these barns: Beef Breeding/Feeder Calves – Goat - Horse (both barns) - Poultry - Rabbit - Sheep - Alpaca – Steer - Swine

62. **CLASS WINNER DECLARATION**: Each class printed in the Junior Fair Book listings will declare a class winner if there are entries in the class. A champion will be named when stated within the class listings. A new class listing will be made when qualified entries show participation of five or more exhibitors for two consecutive years. Breeds, to be shown separately, must have at least four (4) animals showing within a particular breed. Animals not pulled into separate breed classes, will be shown in the Other Breeds category.

63. **MARKET ANIMAL CHAMPION DESIGNATION**: Each livestock species division shall have eight champions unless there are seven or less exhibitors. A division may be a species or a section of a species such as dairy & beef steers, dairy & beef feeders and dairy & meat breed goats.

64. **MARKET ANIMAL CHAMPION SELECTION**: Individual exhibitors may win more than one champion award in a species/division if the division allows for more than one entry.

65. **PRESENTATION OF AWARDS**: Awards will be presented to winners in the show ring for pictures and recognition during competitive events with the exception of showmanship awards. Showmanship awards will be available in the Junior Fair Office after the last set of showmanship classes on Thursday, August 11 at 11:00 a.m. Awards will be retrieved from the show ring and kept in the Junior Fair Office until a thank you note is written by the exhibitor to the donor and brought to the Junior Fair Office in a stamped, unsealed envelope. Winners of showmanship awards should bring their thank you note when picking up awards.

66. **THANK YOU NOTES**: Recipients of awards (i.e., trophies, plaques, bonds, etc.) should send a "thank you" note to the sponsor. This "thank you" note is to be delivered to the Junior Fair office in a stamped, unsealed and addressed envelope. Note cards and stamps will be available for sale in the Junior Fair Office.

**ADDITIONAL REQUIREMENT FOR MARKET LIVESTOCK THANK YOU NOTES**: Exhibitors of market livestock projects must submit thank you notes in a stamped, buyer addressed, return address listed, unsealed envelope by September 15 (unless on a weekend; then following Monday) or a $50 late fee must be paid to the Junior Fair prior to the release of the livestock sale check. An additional $25 will be assessed each week.
thereafter until the thank you note is received up through October 15. All late fees shall be payable to the Junior Fair prior to the livestock sale check release. Thank you notes not received by October 15, will be referred to the Junior Fair Adjudication Committee.

67. **RIBBONS:** Ribbons can be replaced, but a replacement fee will be charged for all ribbons (plus trophies and awards). It is recommended that ribbons NOT be put on pens or stalls.

68. **JUNIOR FAIR AND ANIMAL SPECIES ROYALTY:** No royalty from any segment of the Junior Fair shall wear their royalty attire during their respective show and/or sale nor any competitive Junior Fair event.

**Safety**

69. **EXHIBITORS’ AND SPECTATORS’ SAFETY AND CARE:** The Junior Fair Board will take every precaution in its power for the safety of fair visitors and the safe preservation of stock and articles on exhibition after their arrival and arrangement upon the grounds, but the Board will not be responsible for any loss, damage, accident or theft that may occur. Exhibitors are requested to give attention to their belongings during the fair, and at the close, attend to their removal.

70. **UNMANAGEABLE ANIMALS:** The Junior Fair Board reserves the right to have any unmanageable animals (including those that are aggressive) removed from the fairgrounds for safety and/or health reasons. Animals determined to be unmanageable by Junior Fair officials shall be removed within 24 hours of the notice given to the exhibitor. Uncontrollable animals and the exhibitor shall be dismissed from showmanship classes at the discretion of the show team and/or judge for safety precautions. If animals become unmanageable during a market or breeding class, the animal shall be cornered off, if needed, for safety, but allowed to remain in competition.

71. **BARN OVERNIGHTS:** There shall be NO overnights in any Junior Fair barn or facility as per Richland County Agricultural Society rules and guidelines.

72. **BARN CLOSURES:** All Junior Fair barns will close at 11:00 p.m. (as per Senior Fair rule). Barn Superintendents will oversee all late day visitors to their respective barns.

73. **RELEASE OF ANIMALS:** Junior Fair market animals may only be released on Saturday night to buy bidders with special reasons after 10:00 p.m. (as per Livestock Committee arrangements). The Senior Fair Board upholds that all other animals shall be released after 6:00 a.m. Sunday morning.

**OUTSTANDING MARKET LIVESTOCK EXHIBITOR**

The Outstanding Market Livestock Exhibitor is a champion of another kind. These individuals excel in knowledge, showmanship, market class placings and keeping pen/stall area clean and presentable of the Junior Fair. The evaluation criteria includes:

- Project interview score (must be 99 points or above) 40%
- Showmanship – Participation (10%) + Top 5 placing (20%) 30%
- Market class Top 5 placing 10%
- Herdsman – Highest score of total daily placings 20%
  
(1st = 20%; 2nd = 15%; 3rd = 10%)

**TOTAL SCORE** 100%

The Outstanding Market Livestock Exhibitor Award will be presented to the following divisions: Steer, Lamb, Hog, Goat, Feeder Calf, Rabbit and Poultry Departments. Awards sponsored by the Richland County Farm Bureau, Sunrise Cooperative and Phillips Manufacturing.
JUNIOR FAIR SHOWMANSHIP RULES

1. All Junior Fair exhibitors are encouraged to participate in the showmanship class of their species. Only 4-H and/or FFA livestock exhibitors may participate in the Junior Fair Showmanship classes.

2. Contestants must show an animal entered in a Junior Fair livestock class and must be the bona fide owner; in addition, the animal must remain on exhibit for the entirety of the fair, unless released by the veterinarian or the General Junior Fair Superintendent.

3. No pre sign-up is required for showmanship classes. Participants must participate in the correct age or class (horses only) class or be ineligible to participate in any showmanship class.

4. Preparation for showing must be done by the owner. Fitting – 50%, Showing – 50%, (a) Fitting includes: 1. Soundness, condition, quality and, in case of beef animals, sheep and swine, firmness and uniformity of covering. 2. Cleanliness of hide, hair, hoofs, and horns. 3. General appearance of animal and prevailing breed; (b) Showing: 1. Appearance of exhibitor and equipment used to show animals. 2. Ability to properly pose animal. 3. Exhibitor must demonstrate ability to move animal around ring as directed by judge.

5. Order of showmanship classes in all species (except horses) shall be by age as of January 1, current year (except Pro classes): a) 17 – 18 year olds, b) 14-16 year olds, c) 11-13 year olds, d) 8 – 10 year olds and e) Pro (one winner from classes a – d in current year show day, plus former Showman of Showmen winner, if age/exhibit eligible). One winner will be selected per age group. Alpaca classes have a different order (see Alpaca Section).

6. Exhibitors may only enter one showmanship class per species, with the exception of the Pro Showmanship and Showman of Showmen classes. Species committees will set up heats for each species, exception of horses and dogs which shall have participants from a sign-up.

7. The Pro Showman winners will be wiped clean each year with no participant returning from a previous year to the Pro Showmanship classes (Exception - previous Showman of Showmen winner if age/exhibit eligible within a species).

8. Contestants in the Novice class may ONLY be first-year/time exhibitors in that species (regardless of how many years taking a project within a species).

9. All beef showmanship classes will be held on one day (following beef breeding classes) with all exhibitors from beef breeding, feeder calves and steers eligible to participate. Participants will select one beef animal to show in a showmanship class. The same animal must be used for a showmanship age division class and Pro Beef Showmanship.

10. The same animal must be used for a showmanship age division and Pro Showmanship classes.

11. Only the four age division winners in 2022 will be eligible for Pro Showmanship with the exception of a previous year Showman of Showmen winner (if still age/exhibit eligible). Exhibitors must show in their current age division with no sitting out a year or moving up to another age division.

12. Showmanship classes must name one first place winner (one person per placing). If the judge cannot make a determination of one winner, the judge would be encouraged to ask more questions in showmanship.

13. The Junior Fair Board reserves the right to have any unmanageable animals removed from the fairgrounds (see rule #70). Uncontrollable animals shall be dismissed from showmanship classes at the discretion of the show team and/or judge for safety precautions.

AWARDS – Showmanship participation ribbons will be presented by the Richland County Agricultural Society.
SHOWMAN OF SHOWMEN SHOWMANSHIP
The Showman of Showmen competition will determine the overall best showman of all species having the same number or more participants in their respective species showmanship classes (current year) as the total number of Showman of Showmen Contest participants from the previous year. In 2022, each eligible species must have seven (7) or more total showmanship class participants to qualify for the Showman of Showmen Contest competition. 2022 Pro Showman species to participate in the Friday, 3:30 p.m. contest (in order of show) includes: horse, rabbits, poultry (chicken), lambs, goats (all dairy or all meat breeds), beef (all beef or all dairy beef), and hogs.
1. Participants shall consist of the Pro Showmanship winners from each of the preceding species
   a. Exception: horse – the overall horse showmanship winner determined by a show-off of the draft horse, small equine and saddle horse showmanship winners)
   b. If a species Pro Showmanship class winner wishes not to compete, the next highest placing individual will be eligible to enter from the species until a participant is secured.
2. Animals used in a species of the contest must all be within the same division (i.e., all dairy steers vs. a mix of beef and dairy).
3. Any Junior Fair exhibitor may only win this contest one year. If a previous Showman of Showmen winner is still eligible to exhibit in the current year, they will be eligible to show in the Pro showmanship class of a species where they have previously shown. Otherwise, they must show in the appropriate age division class of any other species where they have not previously shown.
4. In the event of a tie, the tie will be broken by naming the winner from the best overall showing. (Example – highest number of first, second, etc. placings).
5. If any participant fails to participate in any one class due to injury, illness or other reasons, that participant will receive no points for that class.
6. Each species overall showmanship winner (Pro Showman winner in most species) must sign a “letter of commitment” to participate in the Showman of Showmen contest. If the overall winner wishes not to participate in the Showman of Showmen Contest, then the next eligible participant from that particular species participant must confirm their participation one hour before the start of the contest and be present at the assigned location.
7. Each contest participant must confirm their participation one hour before the start of the contest and be present at the assigned location.
8. The next individual in line from all participating species shall be present one hour prior to the start of the Showman of Showmen contest in case a replacement is needed.
9. Exhibitors may not use his/her own animal or show equipment during this competition.
10. A non-exhibitor adult must be assigned to judge each species class.

SHOWMAN OF SHOWMEN AWARDS: Winner’s trophy will be presented by the Richland County Farm Bureau. Participant awards presented by Blue-Gold 4-H Club and Plymouth FFA/Plymouth-Shiloh FFA Alumni. Winner’s jacket presented by Jason and Lynn Snyder.
RICHLAND COUNTY LIVESTOCK COMMITTEE RULES

1. **Compliance:** Youth who wish to sell market livestock at the Richland County Fair, must be in compliance with all Ohio Department of Agriculture, Junior Fair, Senior Fair, and Livestock Committee rules.

2. **Identification:** All market livestock shall have the official identification as approved and administered by the Livestock Committee by the designated date. No other means of applied identification (including ear tags) will be permitted on any market livestock. The exception to this rule will be State and/or Federal identification for all livestock. The Livestock Committee will band market poultry exhibits for proper identification of ownership at weigh-in. The Livestock Committee has sole authority in the event of tagging conflicts or issues. In the event of a tagging conflict or issue individuals must:

   A) Make an appeal in writing to the Co-Chairs of the Livestock Committee that is postmarked or received within 30 days of designated identification date; and

   B) Attend the next regular meeting of the committee after the designated identification date to state their claim. Animal ownership/care dates will apply (Junior Fair Rule #16). *Exception:* Individuals missing rabbit identification must complete part (A) above within seven days.

   C) Matching Identification: All Junior Fair market animals tagged or tattooed for the current year, must match official identification and paperwork used on the designated identification date(s) for the current year. Otherwise, the animal(s) will not be permitted to sell through the livestock auction. (*Exception:* Poultry) It is up to the exhibitor to ensure paperwork and animal's tags and tattoos match the proper exhibitor as will be confirmed by the signature on the tagging form.

   D) Identification Replacement: The exhibitor must contact the Extension Office or Livestock Committee immediately if his/her animal(s) loses its identification. Animals not having official identification will be ineligible to sell in the fair livestock sale. Once on the fairgrounds, the only replacement of ear tags will be those where evidence legitimately shows the animals lost ear tags en route to the county fair. If the latter is not proved, the animals will be moved to the non-sale class.

3. **Weigh-in:** Market goats, lambs, steers, and feeder calves will be weighed on Sunday (first day of the fair). The times will be publicized prior to weigh-in. Market hogs, rabbits, turkeys, ducks and broilers will be weighed on Saturday (prior to first day of fair) at designated times. See specific schedule for each species. Market livestock will be weighed on a one pound break. *Exception:* Poultry and rabbits nothing under the minimum or over the maximum will qualify for a sale class. The designated pens for poultry and rabbits must be determined prior to weighing.

   A) There will be no re-weighs on market livestock.

   B) Livestock Committee will make accommodations for animals shown at the Ohio State Fair and/or exhibitors required to be at the Ohio State Fair. Permission must be given by the Ohio State University Extension Office prior to the start of the Richland County Fair.

   C) Chains or Halters: No chains or halters will be allowed on market animals during weigh in except market steers and feeder calves. Steer halters may be removed at the discretion of the weigh master.

4. **Market Lambs:** All market lambs are to be slick shorn within one week of the county fair. No unshorn market lambs will be weighed. Blankets must be removed before weighing of market
lambs. Halters will be removed at the discretion of the weigh master. Animals must be dry when weighed.

5. Market Hogs: Hogs will be subject to the following guidelines:

A) Hogs will be inspected by qualified outside individual(s) hired by the Livestock Committee, whose determination will be final. Hair must be in compliance with the Ohio State Fair rules, which is currently ½ inch in length (clipping allowed only on ears and tail). Anyone found to be in violation of this rule, by the Livestock Committee, will be ineligible to show and/or sell his or her market hog(s). The hog(s) must be removed from the fairgrounds immediately. If a hog goes through the sale ring or to the buy bidder and is found (by the packer) to have been clipped, the exhibitor will be responsible for any additional costs charged to the Livestock Committee.

B) In compliance with the Ohio Department of Agriculture any swine exhibited in Ohio beginning in 2020, will be Ractopamine Free. Each exhibitor must complete an Affidavit for Ractopamine Free Swine for each Market Hog tagged (part of the Market Hog Self-Tagging Form). No Affidavit will result in no show. Any and all hogs are subject to testing by fair personnel and/or the buy-bidder or harvest facility. Any exhibitor whose hog is tested and is found to have been fed Ractopamine may be subject to the following penalties:

i. The exhibitor will forfeit all premium and prize money (this includes buy-bid price).
ii. The exhibitor will be banned from showing any animals at all county fairs, street fairs, and Ohio State Fair for a period of three (3) years.
iii. The exhibitor will be financially responsible for the buy-bid value of the hogs if an entire shipment is rejected by the packer or harvest facility.

C) The State of Ohio is pseudorabies free; the market hog shows are considered non-terminal shows. Therefore, exhibitors can take market hogs back home rather than send an extra hog to the buy bidder.

6. Eligibility: All auction animals must be shown in their respective market sale class to be eligible for participation in the market livestock auction. All underweight or overweight animals in the non-sale class or those in the market sale classes not sold through the auction may be sold to the packer at designated species buy-bid price.

7. Obligation to Sell: Each market livestock exhibitor will be obligated to sell one qualifying animal through the sale ring and permitted only one sale; however, all champions must sell. (Exception: Feeder calves which may sell through the sale ring and be taken home.) Any qualifying animal that sells through the sale ring will be required to go to buy-bid. NO changes to Sale Authorization Forms will be accepted after the designated deadline set by the Livestock Committee except in the case of champion animals. The designation of champion selection will be implemented by the Junior Fair Board (Junior Fair Rule #61 & 64).

A) Grand and Reserve Champions: Market hogs, market lambs, market steers/heifers, and market goats must be sold through the livestock auction and are terminal sales. These animals must be harvested and evaluated by a packer chosen by the Livestock Committee, as required by the Ohio Department of Agriculture.

8. Buy Back Livestock: Exhibitors, parents, advisors or their representatives ARE NOT to ask to buy livestock back from a buyer after the animal has gone through the sale ring for any purpose.
9. Poultry: Wings on all champion poultry projects will be clipped prior to going through the sale ring.

10. Sale Authorization Form: All exhibitors must fill out a Sale Authorization Form for each market animal brought onto the fairgrounds following weigh-in. Exhibitors must designate which animal will be sold at the livestock auction and give the final destination for any other market livestock animals not being sold. Champion livestock exhibitors will be responsible to make changes on their Sale Authorization Forms at the Livestock Sale Office following their show. If an incomplete Sale Authorization Form is submitted, the exhibitor may not be listed in the sale program and the exhibitor's sale at auction is not guaranteed.

11. Sick Animals: Animals that become sick during the fair will be permitted to sell in the livestock sale upon approval of the fair veterinarian. The Livestock Committee reserves the right to secure the fair veterinarian to determine sickness. Animals with unhealed scars or swelling in the scrotum area as determined by the fair veterinarian will not be permitted to show in a sale class.

12. Sale Order Determination: Sale order will be designated by the Livestock Committee and will be posted in barns, the Jr. Fair Office and the Livestock Office during fair week.

13. Animal Care Until Removal: Market animal exhibitors are responsible for the care and feeding of their livestock until removed from the fairgrounds, although ownership may have been transferred at the time the animal is sold.

14. Auction Animals: All animals must stay on the fairgrounds until released by the Livestock Committee.

    A) Thursday Auction: Thursday sale animals will include: turkeys, broilers, ducks and rabbits.
    A) Saturday Auction: Saturday sale animals will include: market lambs, market steers/heifers, feeder calves, market hogs and market goats.

15. Loss, Damage and Accidents: The Livestock Committee, Junior Fair Board, Junior Fair Board Advisory Committees and the Richland County Agricultural Society is not responsible for any entry being lost, damaged or stolen. The Livestock Committee is not responsible for any accidents.

16. Thank You Notes: Exhibitors selling their animal(s) at the Junior Fair Livestock Auction are encouraged to write a "thank you" note to the buyer(s). The Extension Office will provide a list of exhibitor(s) who did not write thank you notes to their buyer(s) to the Richland County Livestock Committee by September 15 of the current year. The Livestock Committee will send out exhibitor checks as soon as buyers have paid their bills. The checks from exhibitors failing to submit thank you notes will be held by the Extension Office. If a list is not given to the Livestock Committee by September 15 of the current year, all checks will be sent as soon as buyers have paid. The Extension Office will sign off for any checks received and will be responsible for any exhibitor fees. See Junior Fair rule #67.

17. Buy Bidder: The Livestock Committee will attempt to provide a buy-bidder for all market livestock brought to the fair. If for any reason a buy-bidder/packer is unable to be contracted, exhibitors will be responsible for taking their market animal(s) home.

18. Fair Veterinarian: The Livestock Committee will provide a veterinarian for the week of fair. Any administration of medication or procedures performed by the veterinarian will be billed to the individual owning the animal.
19. Animals Unfit for Harvest: In the event that a withdrawal time has not elapsed and the Livestock Committee has deemed the animal eligible for sale, the Livestock Committee will announce during sale that said animal is not eligible for buy back (keeper). Additionally, the exhibitor will NOT receive buy-bid. It will be the responsibility of the exhibitor to care for the animal until the withdrawal period has elapsed. Exception: Champion or Reserve Champion. Other than feeder calves, champion and reserve champion are terminal sales. It will be the responsibility of the exhibitor to take the animal to the designated processor immediately after the withdrawal period has elapsed. In this instance exhibitor will receive buy-bid through processor.

A) In the event a champion has not provided a clean test, including but not limited to a false/positive test, said champion animal will be held at a location determined by the Livestock Executive Committee. The champion animal will not be returned to the exhibitor. The Livestock Executive Committee will be discrete and follow the instructions of the Ohio Department of Agriculture.

20. Livestock Committee Forms: Any and all documentation produced by the Livestock Committee, either written or electronic, shall be completed truthfully and accurately to the best of the exhibitor’s knowledge. Intentional false information and/or intentional false misrepresentations may result in no sale.

2. Premiums: (Breeding)  
   A - $5  B - $4  C - $3
   NO PREMIUMS FOR MARKET SALE AND/OR NON-SALE CLASSES
3. An animal shown in the breeding class cannot be shown in a market class
4. Breeding classes:
   80    Buck
   81    Doe
   **Identify sex (buck or doe) by NUMBER**

**NOTE:** Breeds to be shown separate by breeds must have at least four (4) animals showing within a particular breed. Animals not placed into separate breed classes, will be shown in the Other Breeds classes.

5. Winners from classes 80 and 81 will compete for Best of Show Breeding Rabbit.
6. Market classes:
   85 Market Pen of Two Rabbit sale class
   86 Market Pen of Two Rabbit non-sale class
7. For market rabbit exhibits to meet the weight requirement per each exhibit, exhibitors are required to check in two (2) rabbits and show two (2) rabbits. The two rabbits will be weighed together. Total weight for two rabbits in the meat pen class is 8 – 12 pounds. Each rabbit shall be a minimum of 4 pounds and a maximum of 6 pounds. Pen of two market rabbits should be uniform to be competitive in class. No one rabbit shall exceed 12 weeks of age. Rabbits for market class 85 must have conformed to the Livestock Committee rules.
8. Weigh-in for the market rabbits shall be Saturday (day prior to fair) from 9:00 a.m. - 1:00 p.m. in the Rabbit Barn. See Livestock Committee rules for weigh break information. Any pen over/under the weight limit will be placed in the non-sale class. There will be no re-weighs on rabbit pens. No additional rabbits beyond the pen of two market animals should be in the barn and/or weighed at the time of the pen of two market rabbits.
9. Breeding animals will be identified by breed at the county fair. Breeding rabbits should submit a record of identification (i.e., ear identification or picture) by July 1 with the fair entry.
10. No rabbit litters will be permitted to come onto the fairgrounds. If rabbits are not weaned by the start of the fair, the doe project will become a poster exhibit.
11. Exhibitors must provide their own non-tipping food and water containers. Each exhibitor must bring a 24" X 24" pan with at least one inch (1") sides to put underneath cage(s) for better sanitation and cleanliness.

12. If one or two market rabbits (Pen of two) perishes before the rabbit show, the lone animal could be shown in the appropriate showmanship class, but not in the market classes. Both market animals are required for a sale class pen of two and a non-sale class pen of two for show day.

13. Rabbit exhibitors are expected to use pine bedding (not cedar).

14. Rabbit exhibitors must transport rabbits in a proper carrying cage with wire bottom that allows drippings to fall below the wire. Market exhibitors and animals will be turned away until proper sanitation of clean rabbits and cages are attained. Upon returning with clean animals and carrying cages, exhibitors will go to the end of the weigh-in line and may re-enter the weigh-in area as long as it is within the 9:00 a.m. – 1:00 p.m. (Saturday before fair) scheduled market rabbit weigh in time frame.

15. Junior Fair exhibitors shall only be assisted by other Junior Fair exhibitors or other ring personnel if needed. NO other person will be allowed to assist the Junior Fair exhibitors during the show or at project interview judging.

   147  Market Ducks Sale Class – pen of two ducks
   148  Market Ducks Non Sale Class – pen of two ducks

4. Animals eligible for market classes 125, 145 and 147 must have conformed to the Livestock Committee rules.
5. Weigh-in day for broilers, turkeys & ducks shall be Saturday (day prior to fair) from 4:00 - 7:00 p.m. in the Poultry Barn.
6. An animal shown in the breeding class cannot be shown in a market class.
7. Exhibitors must provide their own non-tipping food and water containers.
8. A Pullorum Test is required for all birds. The meat birds from the Junior Fair Board pool (see #2 below) have the required testing completed (exhibitors must bring copy from bird pick-up). All other birds must produce documentation for this test, as required, at check-in.

**PENS OF MARKET (MEAT) BIRDS (Broilers, Turkeys and Ducks)**

1. All champions will sell at the sale.
2. All market broilers, turkeys and ducks must come from an NPIP approved hatchery (selected by OSU Extension on behalf of the Junior Fair Board) and ordered according to the nomination form guidelines. All birds must be from the pool that arrives at the fairgrounds on the designated distribution day. This pool of birds must by no older than 48 hrs. from hatching to the time exhibitors pick the birds up during the distribution day/time at the fairgrounds so birds are fed and cared for appropriately.
   - For poultry pick-up days, birds will be pre-boxed by Poultry Department/Senior Fair officials. Potential exhibitors will stay in their cars and boxes will be brought to them, plus official paperwork from the hatchery will be copied and provided to each exhibitor.
3. Exhibitors are limited to one entry in each market class in each species.
4. Broiler exhibitors are required to check in four (4) birds and show three (3) birds. Weights per bird would remain the same (4 - 7 pounds), but just change weight to include the four birds at weigh-in (16 - 28 pounds). Broilers must not be older than seven weeks of age on show day.
5. Market duck exhibitors are required to check in two (2) birds and show two (2) birds. The pen of two market ducks must weigh at least 10 lbs. combined weight.
6. Market turkey exhibitors must get at least three birds per exhibitor from the pool (no family sharing) and then bring only one market turkey to be weighed and shown. Market turkeys must weigh a maximum of 40 pounds.
7. Meat pen birds must be weighed in at designated times as stated above. No sorting of birds will be allowed after arrival at the fair. Only the birds weighed in will be eligible to compete in the show. Pens of birds from each species will be weighed together.
8. On premium show day, all Junior Fair exhibitors must be present to bring their bird(s) to the judging table. The Junior Fair exhibitors will only be assisted by other Junior Fair exhibitors or other ring personnel if needed. NO other person will be allowed to assist the Junior Fair exhibitors during the show or at project interview judging.
9. Classes will be mixed weight classes randomly selected by the computer. Non-sale animals will be removed. Selection will be at the discretion of the poultry judge(s).
10. **SALE DAY:** As per Livestock Committee guidelines, all three (3) broilers will make a pen. Two birds or less will not make a pen and will not qualify for the sale. Two (2) ducks will make a pen. One bird will not make a pen and will not qualify for the sale.

HORSES - Department H

Horse Superintendents – Elizabeth Enix & Sofia Johnson
Associate Superintendent - - Julia Auck & Cheyenne Sumler

All horse project exhibitors: The EquiSTEP program will be optional, but encouraged for horse exhibitors in 2022. When it is implemented as a state horse project requirement for all horse projects for show and fair activity participation in 2023, it will be accepted in lieu of the Quality Assurance class used for all other live animal county fair exhibitors. The deadline for participation should remain the same – June 15 annually. The QA requirement will remain the same for horse exhibitors in 2022 with the deadline of June 15, 2022. NOTE: If a horse exhibitor is also taking another animal project that has a county QA requirement in 2023 and beyond, that horse exhibitor will need to attend a QA class on/before June 15 annually in addition to completing the EquiSTEP course before June 15 annually.

Saddle Horses
1. Saddle horse and small equine premium day judging will be Sunday, Monday and Tuesday (see Junior Fair schedule for times and locations)
2. Premiums: A - $9   B - $8   C - $7
3. Show classes:
   130 - Saddle horse – only one entry (horse) per exhibitor. Animals may not be shared by any exhibitor. Class choices shall largely conform to those at the Ohio State Fair. For a complete show bill, listing of awards and class requirements, refer to the Richland County Junior Fair Family Horse Guide (available on-line at richland.osu.edu).
   131 - Production Horse - only horses officially designated as a part of a premium class exhibit and participate in a premium class shall be eligible for entry in competitive horse activities, including, but not limited to, the Horse King & Queen Contest, Reining Show Speed Challenge, and Versatility Show.
4. Horses designated and required as premium class entries will be eligible for the Thursday Fair Fun Shows. Only the project (including back-up) horse may be used for county fair events.
5. Exhibitors are encouraged to show in more than one class on premium day, but only one class will be counted as the participation for premium class.
6. Western horses shall measure more than 58" in height. Ponies shall be under 58". If classes are not divided by horse and ponies, the horse/exhibitor may show in the horse class.
7. Only foals that are entered as a production project (and has appropriate horse registration for each animal, received by May 15, 2022; Advisors have until June 1 to make any additions or changes in registration) will be eligible to be shown in the Richland County Junior Fair. No changes after June 1.
8. All saddle horses (including small equine) will be required to have a body condition score taken at the fair.
9. All horse shows/programs follow the Ohio Uniform Rules for 4-H Horse Shows and safety policies. All participants shall have a Horse Safety completion certificate on file.
10. Registration materials required by June 1 include: Horse registration, horse identification, 
   permission to participate (state form), pictures of animal(s), required fee, PAS form (if 
   applicable) and horse royalty application (if applicable).

11. Only foals that are entered as a production project (that has appropriate horse registration for 
   each animal, received by June 1, annually) will be eligible to be shown in the Richland 
   County Junior Fair.

12. **Back-Up Horse Policy**: A back-up horse is a horse registered during the horse registration 
   process (by June 1) as a back-up (potentially shown due to death or lameness) to the 
   exhibitor’s project horse. To bring a back-up horse to the fair, a veterinarian must attest in 
   writing that the project horse cannot be shown. A back-up horse for one exhibitor cannot be 
   a project horse for another exhibitor. Two individuals can register the same back-up horse, 
   but only one exhibitor can bring the back-up horse to the fair.

13. All horses must stay at the fairgrounds unless released by the fair veterinarian (or other 
    pre-approved personal reasons) or premium could be lost. The horse(s) brought on the 
    fairgrounds by the deadline (Saturday, August 7) at 8:00 p.m. shall be the premium show 
    horse(s). NOTE: This could be a back-up horse if the proper verification procedure has 
    been followed prior to that time. If a veterinarian signs off that this project horse(s) cannot 
    be ridden/used after premium day, only then can a registered (by June 1) back-up horse 
    be brought onto the fairgrounds for participation in Junior Fair shows and activities the 
    remainder of fair week. The back-up horse registrations must be housed in the Junior 
    Fair Office during fair week to verify any changes.

14. Starting in 2022, horse exhibitors may bring two horses (one small equine and one other 
    saddle horse) for exhibition at the county fair. NOTE: Would not affect the one production 
    horse a member may exhibit in addition.
